

Task - ①

SaiDeepthi maganti 01997264

This looks good I would like to share this with every one But how should i ?.... maybe i can ask Diya she can help me with this.....

Hey K!! I got you, open the website. it asks for you ID and password. In next Page fill all the details that are requested and create your Profile and enter...

Ta..Ta..da!!!
I created my Profile and also Published my recipes...

Title:	
Ingredients:	
Pics:	<input type="button" value="↑"/> upload
Vedios:	<input type="button" value="↑"/> upload
Process:	<input type="button" value="Create"/>

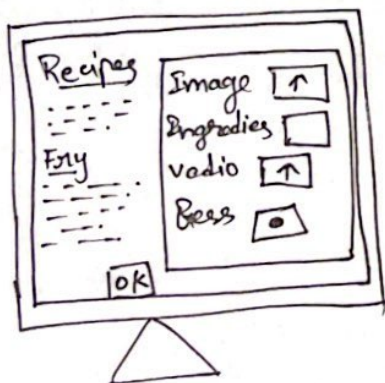

Task - 2

I uploaded a mistake in recipe. what should i do now 😞... Yaa I will ask Diya how to resolve it...

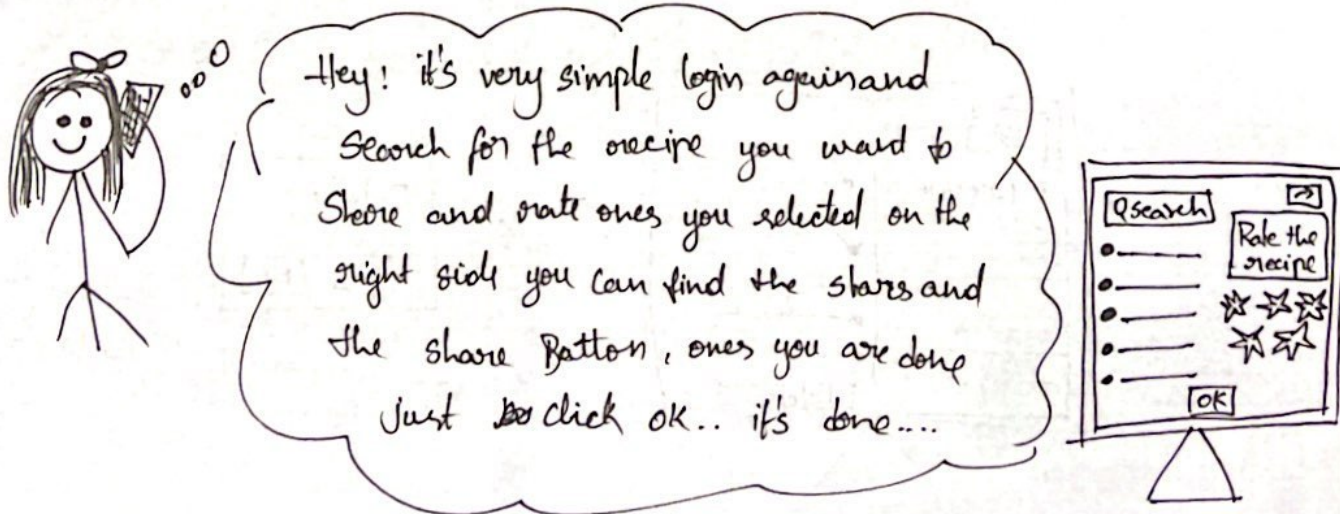

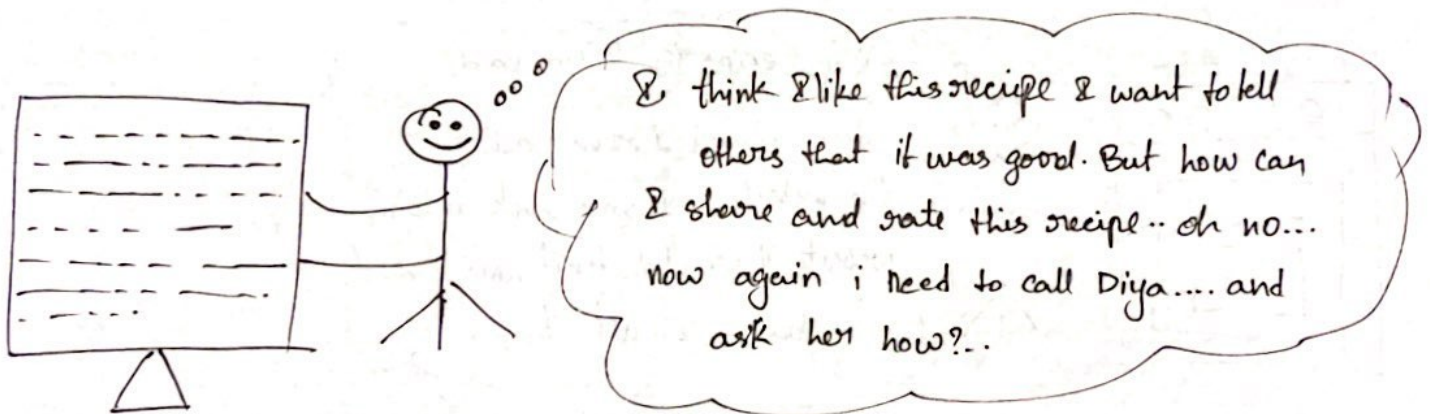

Dont worry! my friend You can edit it. So now login again and Selet the recipe which You want to edit... ones you select you will get all the options and changes. so now you can change whatever you want to. Then Press 'OK'. You will be set....

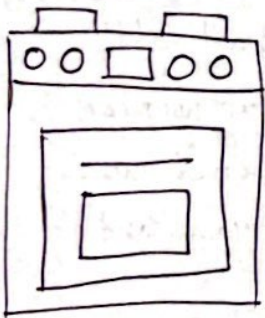

Ta... ta... da...!!!
I edited my recipe....

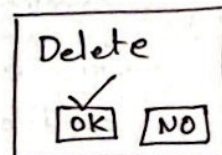

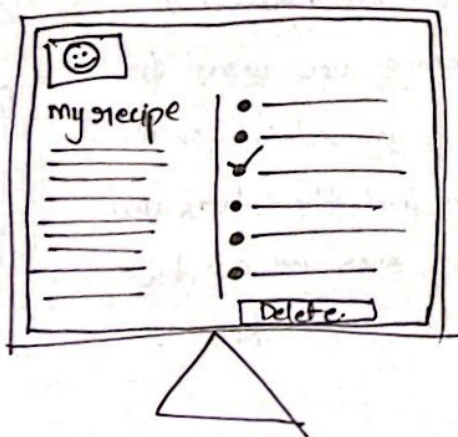

Task - 3

Task - 4

My recipe is looking bad
How should I remove it from
the website... I will look into the
website if I could find how to do it..
Yea... I got it....

Task-5
