

I am tired from my work. I want something that is easy and fast to make.

Mark is a software engineer who works till late and wants to cook something fast and easily.

I heard great things about RecipeShare I can find something on the website

wow! I can easily find a recipe for dinner that can be made under 30 minutes using the filters

Oh! This
recipe contains
nuts but I
am allergic
to them

~~NUTS~~

wait! I can
edit the
recipe
according
to my
preferences
and save
it for
